Zachary Borg
Director

ANCHOVY STUDIOS LIMITED

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Year ended 31 December 2015

The Companies Act Cap. 386 of the Laws of Malta requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss for the financial year.

The directors are responsible for ensuring that: -

- appropriate accounting policies have been consistently applied and supported by reasonable and prudent judgments and estimates;
- the financial statements have been drawn up in accordance with Legal Notice 51 of 2009, Accountancy Profession (General Accounting Principles for Smaller Entities) Regulations, 2009 ("GAPSE");
- the financial statements are prepared on the basis that the company must be presumed to be carrying on its business as a going concern; and
- account has been taken of income and charges relating to the accounting year, irrespective of the date of receipt or payment.

The directors are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act, 1995. The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT to the members of ANCHOVY STUDIOS LIMITED

I have audited the financial statements of ANCHOVY STUDIOS LIMITED, which comprise the balance sheet as at 31 December 2015 and the income statement, statement of changes in equity and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes .

Directors' Responsibility for the Financial Statements

The directors are responsible for the preparation and fair presentation of these financial statements in accordance with the requirements of Legal Notice 51 of 2009, Accountancy Profession (General Accounting Principles for Smaller Entities) Regulations, 2009 ("GAPSE") and the schedule accompanying and forming an integral part of those Regulations. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with International Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate for the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 December 2015, and of its financial performance and its cash flows for the year then ended in accordance with General Accounting Principles for Smaller Entities.

Report on Other Legal and Regulatory Requirements

In my opinion, the financial statements have been properly prepared in accordance with the Companies Act (Chap. 386), enacted in Malta, which permits compliance with the Accountancy Profession (General Accounting Principles for Smaller Entities) Regulations, 2009 and the Schedule accompanying and forming an integral part of those Regulations, for qualifying entities as prescribed in those regulations.

ANCHOVY STUDIOS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

31 December 2015

1.1 CORPORATE INFORMATION

The financial statements of ANCHOVY STUDIOS LIMITED for the year ended 31 December 2015 were authorised for issue in accordance with the resolution of the board of directors on the 1 August 2016.

ANCHOVY STUDIOS LIMITED is a limited liability company incorporated and domiciled in Malta.

1.2 BASIS OF PREPARATION

The financial statements have been prepared on a historical cost basis. The financial statements are presented in Euro, which is the company's functional currency.

Statement of compliance

The financial statements of ANCHOVY STUDIOS LIMITED have been prepared in accordance with the requirements of Legal Notice 51 of 2009, Accountancy Profession (General Accounting Principles for Smaller Entities) Regulations, 2009 ('GAPSE') and comply with the Companies Act, Cap. 386 of the Laws of Malta.

1.3 SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted in the preparation of these financial statements are set out below.

Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

Sale of goods

Revenue is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer.

Interest income

Revenue is recognised on a cash basis.

Lease income

Sales of services are recognised in the accounting year in which the services are rendered by reference to completion of the specific transaction assessed on the basis of the actual service provided as a proportion of the total services to be provided.

Cash and cash equivalents

Cash in hand and at banks and short-term deposits are held to maturity and carried at cost.

Cash and cash equivalents are defined as cash in hand, demand deposits and short-term, highly liquid investments readily convertible to known amounts of cash and subject to insignificant risk of changes in value. For the purpose of the cash flows statement, cash and cash equivalents consist of cash in hand and deposits at banks, net of outstanding bank overdrafts.

ANCHOVY STUDIOS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

31 December 2015

1.3 SIGNIFICANT ACCOUNTING POLICIES - continued

Foreign currency transactions

(a) Functional currency

Amounts disclosed in the financial statements are presented using the currency denoted in the company's Memorandum of Association, which is the Euro.

(b) Transactions and balances

Transactions in foreign currencies have been converted into Euro at the ruling rates of exchange on the day of the transaction. Assets and liabilities denominated in foreign currencies have been translated into Euro at the rates of exchange ruling at the balance sheet date. All resulting differences are taken to the profit and loss account.

Impairment of assets

Assets that have an indefinite useful life are not subject to amortisation but are tested annually for impairment. Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows.

Trade and other receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for impairment of trade receivables is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganisation, and default or delinquency in payments within the allowed credit terms are considered indicators that the trade receivable is impaired.

The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account, and the amount of the loss is recognised in the income statement. When a trade receivable is uncollectible, it is written off against the allowance account for trade receivables. Subsequent recoveries of amounts previously written off are credited in the income statement.

Trade and other payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the company.

Payables to related parties are carried at cost.

Share capital

Ordinary shares are classified as equity.

Dividend distribution

Dividends on ordinary shares are recognised in the year in which they are paid. Declared dividends are transferred to the dividend reserve within the statement of changes in equity.

Current and deferred income tax

The tax expense comprises current and deferred tax. Tax is recognised in the income statement, except to the extent that it relates to items recognised directly in equity. In this case, the tax is also recognised in equity.

ANCHOVY STUDIOS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

31 December 2015

1.3 SIGNIFICANT ACCOUNTING POLICIES - continued

Current and deferred income tax - continued

The current income tax charge is calculated on the basis of the tax law enacted or substantively enacted at the balance sheet date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using the current rate of corporate taxation at the balance sheet date and which is expected to apply when the related deferred tax asset is realised or the deferred income tax liability is settled.

Deferred income tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

Borrowing costs

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the income statement over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

Property, plant and equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation. Depreciation is calculated to write off the cost of tangible assets on a straight line basis over the expected useful lives of the assets concerned. The annual rates used for this purpose which are consistent with those of the previous year, are:-

Equipment	25%
Air conditioners	16.66%
Furniture and fittings	10%

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that the future economic benefits associated with the item will flow to the company and the cost can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to the income statement during the financial year in which they are incurred.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the income statement. When revalued assets are sold, the amounts included in other reserves are transferred to retained earnings.

Impairment and uncollectibility of financial assets

An assessment is made at each balance sheet date to determine whether there is objective evidence that financial assets may be impaired. If such evidence exists, the estimated recoverable amount of that asset is determined and any impairment loss recognised for the difference between the recoverable amount and the carrying amount as follows:

ANCHOVY STUDIOS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

31 December 2015

1.3 SIGNIFICANT ACCOUNTING POLICIES - continued

Impairment and uncollectibility of financial assets –continued

- for financial assets at amortised cost – the carrying amount of the asset is reduced to its estimated recoverable amount either directly or through the use of an allowance account and the amount of the loss is included in the net profit and loss for the year; and
- for the financial assets at fair value – where a loss has been recognised directly in equity as a result of the write-down of the asset to recoverable amount, the cumulative net loss recognised in equity is transferred to the net profit and loss for the year

2. REVENUE

The company's revenue is represented by the income from services provided and on-line services given during the year under review.

3. OPERATING PROFIT

The operating profit is stated after charging:-

	2015 Eur	2014 Eur
Auditor's remuneration	1,200	1,100
Depreciation of property, plant and equipment	4,200	2,357
Directors' remuneration	61,086	44,588
Wages and salaries	154,994	83,145

4. EMPLOYEES

	2015 EUR	2014 EUR
a) <i>Staff costs</i>		
The total employment costs were as follows:		
Directors' remuneration	61,086	44,588
Wages and salaries	142,456	76,824

ANCHOVY STUDIOS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

31 December 2015

13. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

At 31 December 2015, the Company's main financial assets on the Statement of Financial Position comprise of receivables and cash at bank and the main financial liabilities on the Statement of Financial Position consisted of other payables and amounts owed to related parties which arose directly from its operations.

At 31 December 2015, there were no off balance sheet financial assets or financial liabilities.

Timing of cash flows

The presentation of the financial assets and liabilities listed above under the current and non-current headings within the Statement of Financial Position is intended to indicate the timing in which cash flows will arise.

Credit risk

The Company trades only with recognised, creditworthy parties. It is the Company's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an ongoing basis with the result that the Company's exposure to impaired debts is not significant. There are no significant concentrations of credit risk within the Company.

The Company's cash at bank is placed with recognised financial institutions.

Fair values

The carrying amounts of cash at bank, receivables, payables and accrued expenses approximated their fair values.

14. CONTINGENT LIABILITY

The company had guarantees in favour of third parties of €63,048. These have expired on 28 February 2016.

15. EVENTS AFTER THE REPORTING YEAR

No events occurred between the end of the reporting year and the date when the Financial Statements were authorised for issue which are relevant to the Financial Statements.
